Warning for Internet Explorer 9

This feature becomes very irritating when one of these messages appear every time you click on a link. To turn off this prompt in Internet Explorer, do the following:

1. Open Internet Explorer

2. On the menu bar (the bar below the location bar), click Tools, then Internet Options.

## University of Idaho

Facilities Services

3. In the Internet Options box, click the Security tab.

- 4. In the "Select a zone to view or change security settings" section, select the Internet zone (the one with the globe icon).
- 5. Click the Custom level... button, located in the "Security Levels for this Zone" section.
- 6. In the Security Settings Internet Zone, but, scroll down about half way, and find the Display mixed content radio button. Select Enable,

University of Idaho

and then click the **L**ok button.

- 7. When you receive the "Are you sure you want to change the settings for this zone?" Warning, click Yes.
- 8. In the "Select a zone to view or change security settings" section, select the Local Intranet zone (the one with the globe and monitor icon).
- 9. Repeat 5-7 above
- 10. Click OK to close the Internet Options box.

These changes in Internet Explorer's Security options will disable this annoying prompt and make navigating from one page to another easier.
